Company Profile

With the continuous growth of decoration metal sector in modern industry, Foshan Sunde Metal Manufacture Co. was established to meet the demand of the metal fabrication market. Our company is mainly engaged into the design, development, fabrication and installation of steel, stainless steel, aluminium and other metal alloy products and decoration works.

We are specialized in architectural decorative and structural metal works like handrails, ladders, sheet cladding ,kitchen cabinet, gratings, bollards etc. Structural metal works like steel platform, mezzanine floor, metal staircase, warehouse structural works and food equipment, like automatic food packing machine, filling machine, sealer machine, wrapping machine, multifunctional machine etc.

Our infrastructure had also seen a growth over these years. We have 3 factories which are located in Foshan, Liaoning Province and Qatar.

Our headquarter Foshan Sunde Metal Manufacture Co., which mainly fabricates structural metal works, stainless steel works.

Subsidiary company in Qatar, Saad Al Kaabi Steel & Alu Co., concentrating mainly into architectural and structural metal works.

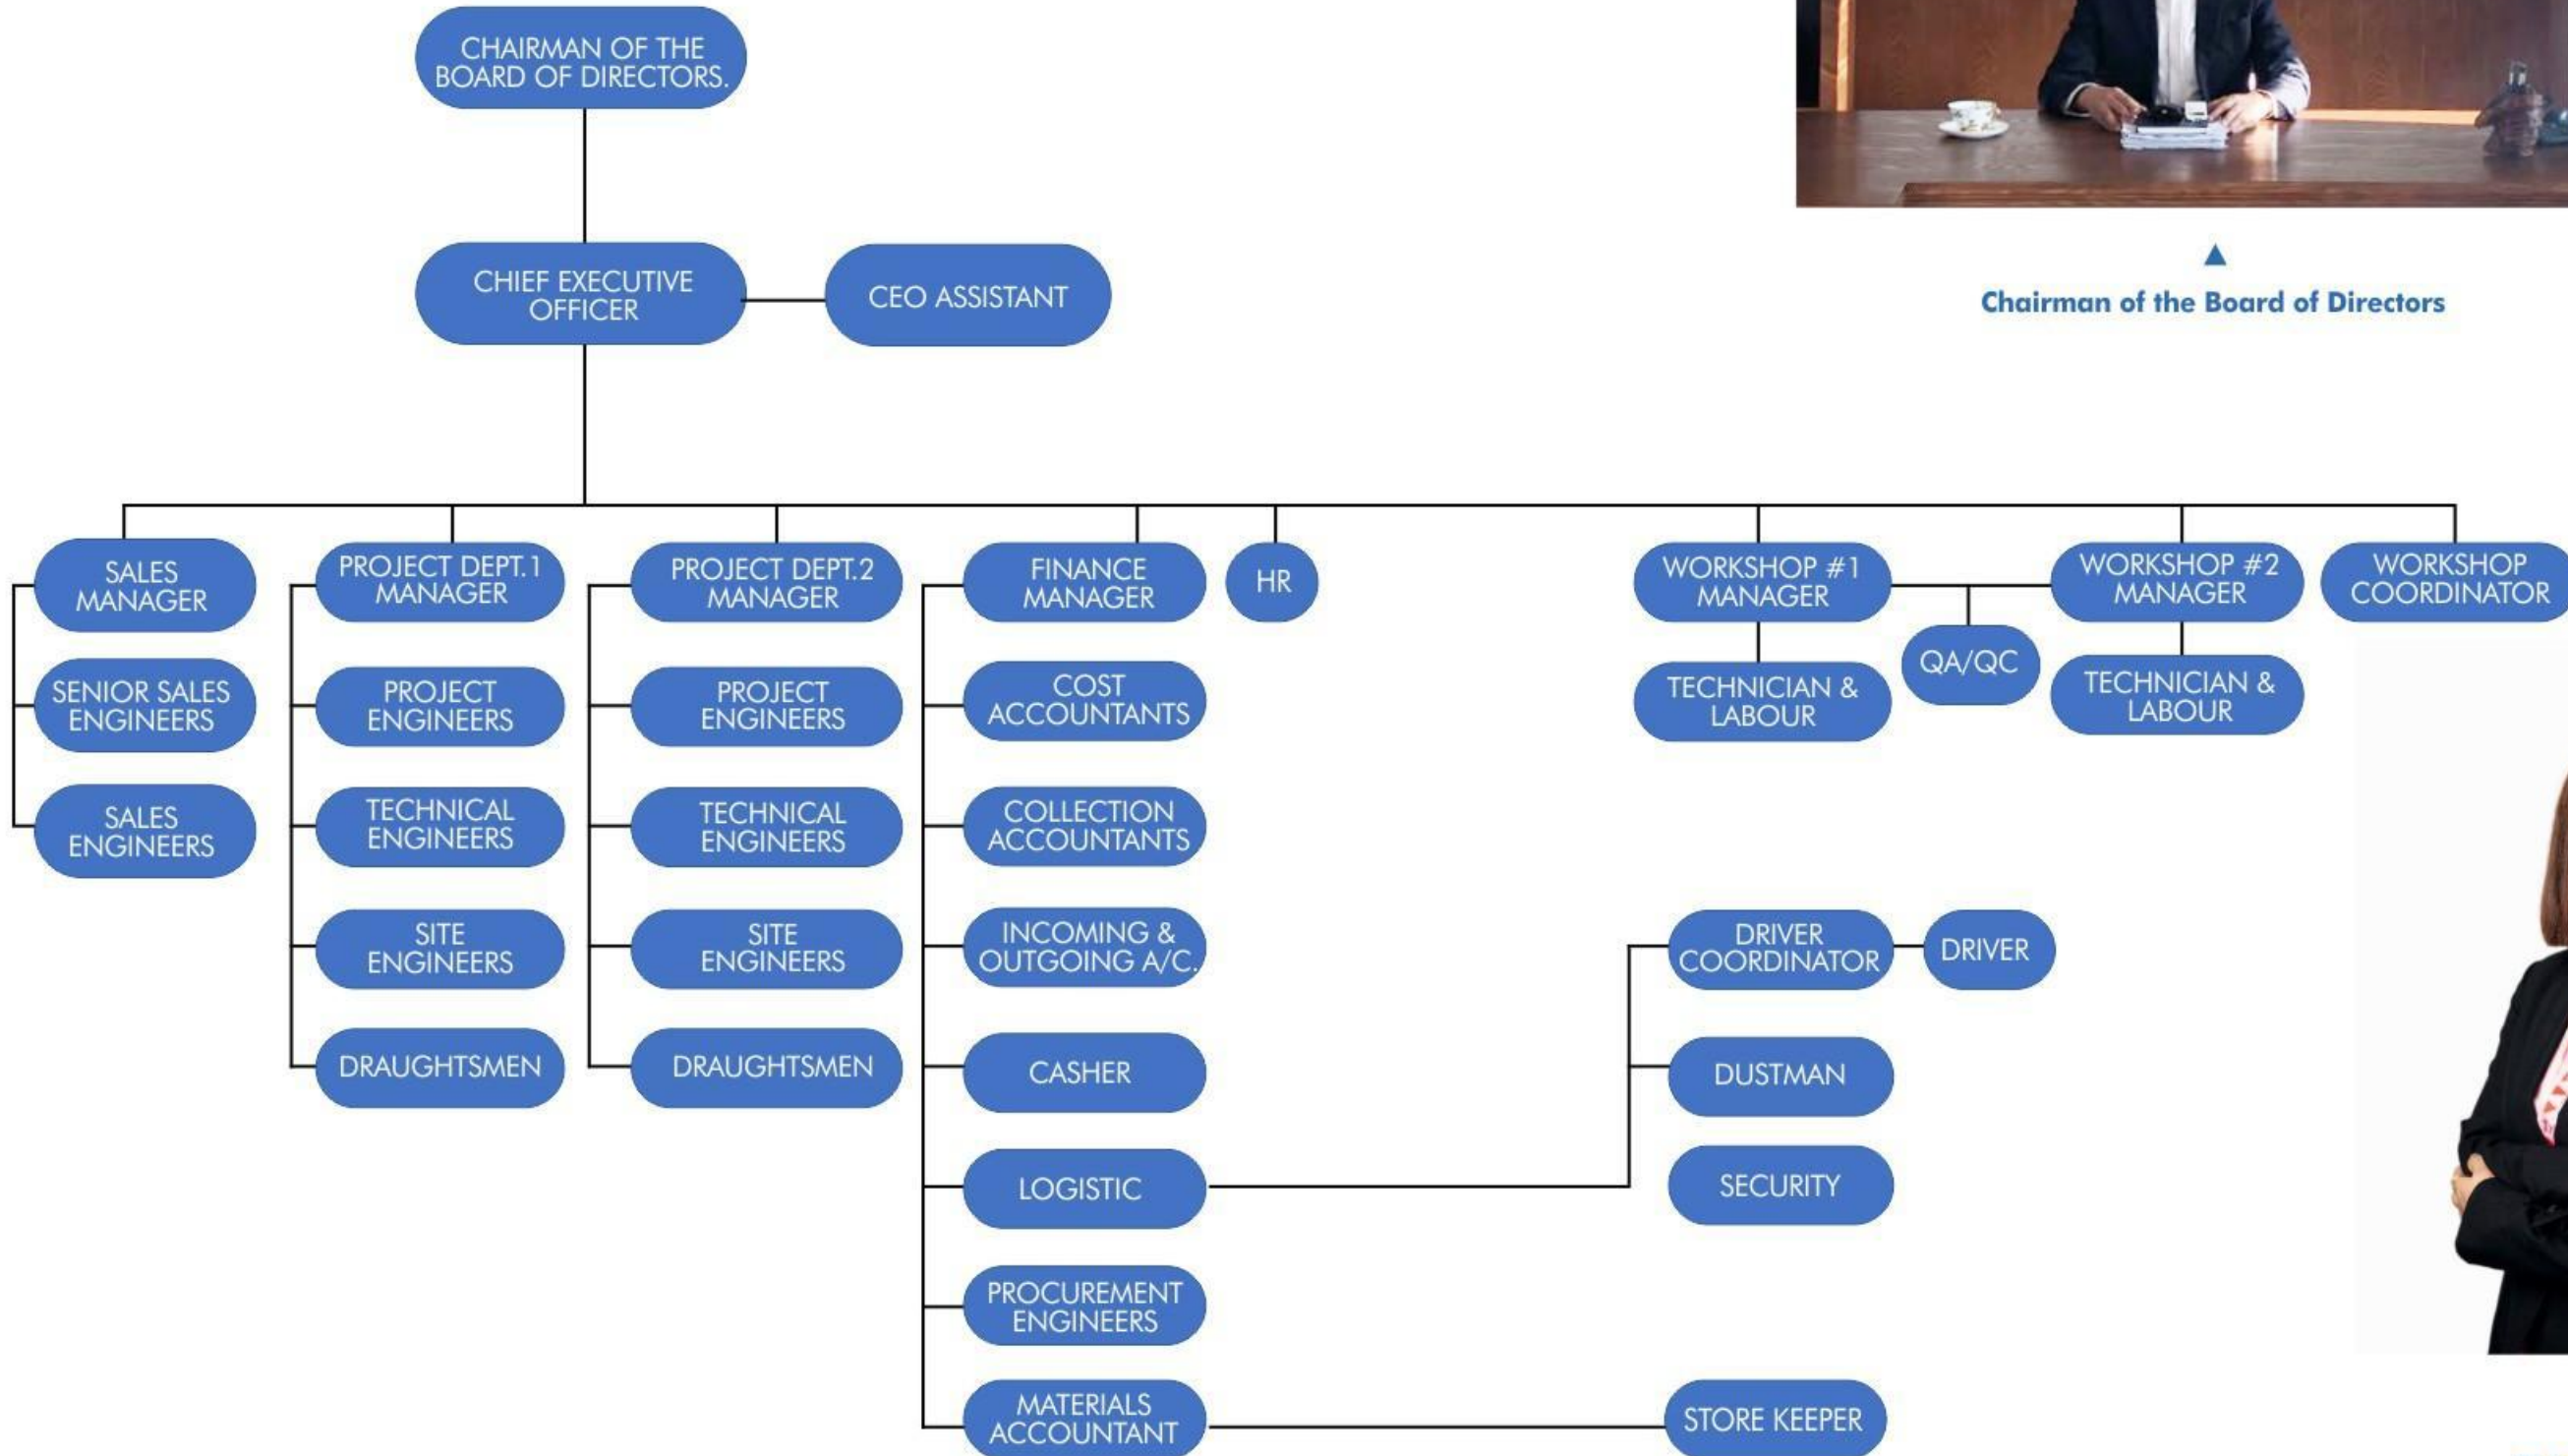

Third company is located in Liaoning, China,which is mainly in producing plate heat exchangers, heat exchangers units and spiral-plate heat exchangers for the fields of heat supply, shower, air conditioner,

hydraulic oil cooling, petrochemical engineering, pharmacy and food processing.

All these factories are equipped with advanced sophisticated and modern machinery and equipment which facilitate the execution of the work with high quality and precision.

In the past 15 years, we have executed many projects, which have won great reputation and appraisal from our locally and abroad clients. We may guarantee best service, excellent techniques and timely completion.

Factory Introduction

Headquarter Foshan Sunde Metal Manufacture Co., which mainly fabricates structural metal works, stainless steel works.

Qatar, Saad Al Kaabi Steel & Alu Co.,
 Located in Al Wukhair industrial area, Qatar, occupied 6000 m², with 1500 m² office area and 4500 m² fabrication area. And have 500 office staff and 200 technicians and workers. Mainly manufacture architectural & structural metal works.

Third company is located in Liaoning, China, which is mainly in producing plate heat exchangers, heat exchangers units and spiral-plate heat exchangers for the fields of heat supply, shower, air conditioner, hydraulic oil cooling, petrochemical engineering, pharmacy and food processing.

Product Display

Foshan Sunde Metal Manufacture Co.,Ltd specialized in metal works with design, engineering, fabrication, delivery and installation of stainless steel, mild/galvanized steel, aluminium and other metal alloy works for the exterior and interior building, include:

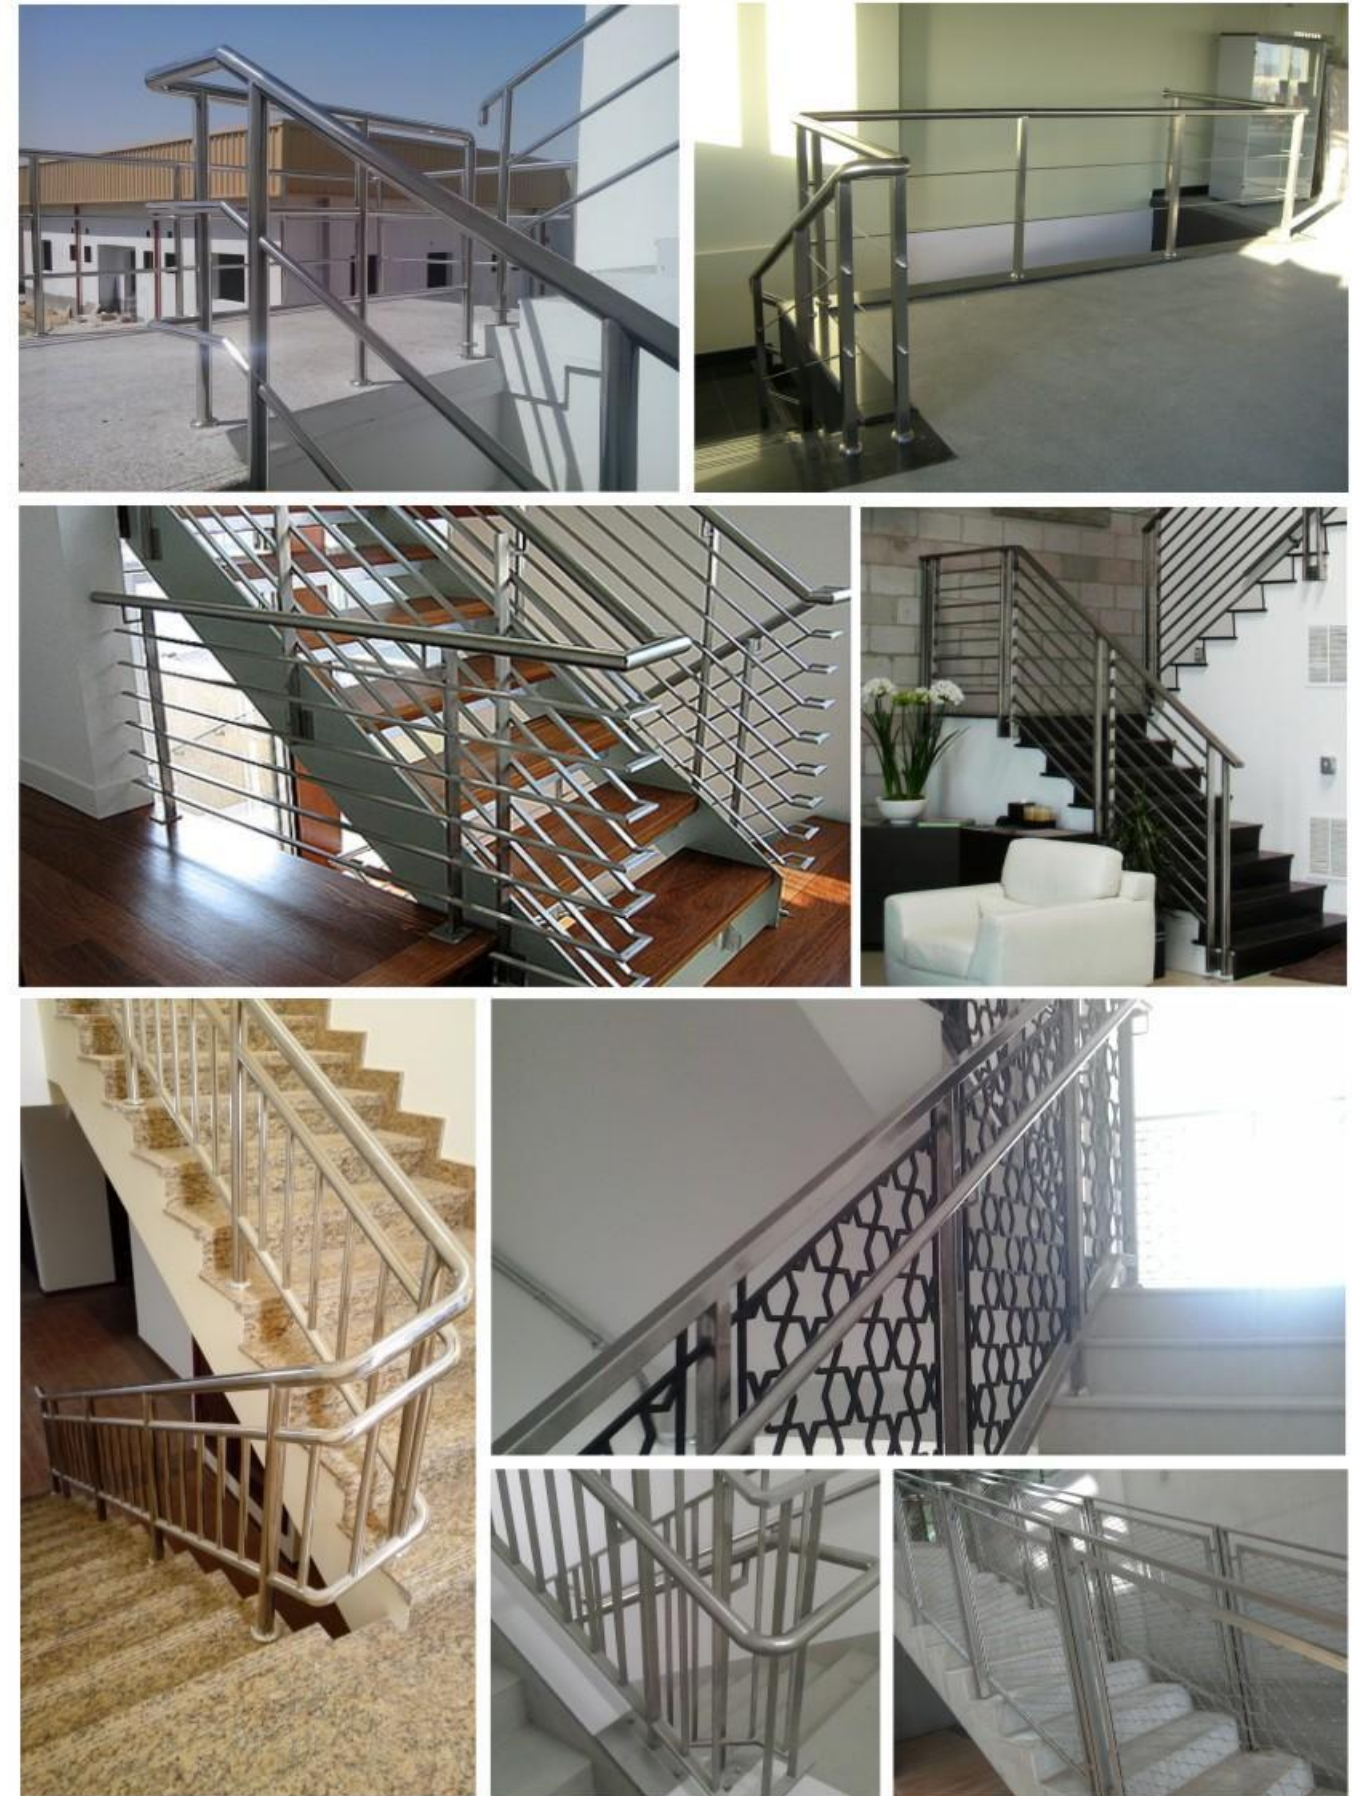

1. Handrails & Balustrades
2. Access Ladders
3. Doors & Window grills
4. Boundary Fence & Gates
5. Interior Finishing (skirting, trims, strips, etc.)
6. Sheet Cladding Works(lift door cladding, wall cladding,column cladding etc.)
7. Metal Screen, Partition & Mashrabiya
8. Glass Partition
9. Kitchen Equipment(cabinet, shelves, table,trolley etc.)
10. Covers & Gratings
11. Grating Platform & Shaft Cover
12. Access Hatches & Access Panel
13. Flag Pole& Bollards
14. Canopy
15. Bed, Wardrobe & Mail Box
16. Steel Structural Works (staircase, platform, pergola, warehouse etc.)
17. Aluminium Products
18. Food Processing Machinery
19. Customized Products (sheet bending, shearing, frames, etc..)
20. Raw Material Supply

MAJOR ONGOING PROJECT

Project: Ammunition Store For Qatar Armed Land Forces

Main contractor: Qatar Building Engineering Company

Consultant: ATAQ Engineering Consulting

Client: Qatar Armed Force-QECE

Years of project: 2019-To Date

Project Amount: 1.2 Million

The scope of work: Fabrication and installation of Stainless-Steel Ladders, Stainless Steel handrails, And Glazed Balustrades

Project: New Naval Base Project

Main Contractor: Generic Engineering Technologies

Client: State Of Qatar

Consultant: Roser ECG JV

Years of project: 2020

Project Amount: 9.3 Million

The scope of work: Misc Stainless Steel and Galvanized Steel Works

Project: Design, Supply And Installation Of pontoons Construction Of Breakwaters For Fishing Boats, Private Boat Breaking Facilities (Marina) In Al Wakra, Al Khor, Al Dhakhira And Al Ruwais

Main Contractor: UCC – PROMAR JV

Client: Mwani Qatar

Consultant: COWI

Years of project: 2019-To Date

Project Amount: 1.2 Million

The scope of work: Stainless Steel Handrail, Stainless Steel Ladders, Stainless Steel/Galvanized Steel Gates, Galvanized Steel

Chequered Plate; Stainless Steel Piles Caps; Stainless Steel barriers

Project: Design And Build Of Mixed Use Buildings –Commercial Boulevard (Bp 18A)

Main contractor: Redco Construction - Almana

Consultant: KEO Qatar

Client: Lusail Real Estate Development Company

Years of project: 2019-To Date

Project Amount: 9 Million

The scope of work: Fabrication and installation of Stainless Steel Handrail, Stainless Steel Demising Piers, Stainless Steel Lift Cladding and other ID finishings

Project: Alar Hotel

Main contractor: Man Enterprise Qatar W.L.L

Client: Damsa Holding

Consultant: SHAKER

Years of project: 2019-To Date

Project Amount: 0.6 Million

The scope of work: Fabrication and installation of Stainless-Steel handrails

Project: Three(3)+Two(2) Health Centers-Al Khor & Ain Khalid Site

Main contractor: Altawfeeq & Partners Contracting

Consultant: ECG Engineering and Consultants Group

Client: ASHGHAL

Years of project: 2019-To Date

Project Amount: 1.2 Million

The scope of work: Fabrication and installation of Galvanized Steel Fence And Gate

Project: Qatari Emiri Signal Corps New Camp Project (Q-102-01)

Main contractor: Bahadir Construction Engineering Contracting & Trading Inc. Co.

Client: Qatar Armed Forces (Qatar Emiri Corps Of Engineering)

Years of project: 2020-To Date

Project Amount: 1.8 Million

The scope of work: Fabrication and installation of Galvanized Steel/Stainless Steel Handrails

Project: Pipeline For Mega Reservoir-RL4TH Line Within PRPS1

Main Contractor: Generic Engineering Technologies

Client: Kahramaa Qatar General Electricity & Water Corporation

Consultant: Hyder Consulting

Years of project: 2019-To Date

Project Amount: 3.97 Million

The scope of work: Aluminum Mesh Flooring, Platform, Ladders and Handrails

Project: Qatar Power Transmission system expansion project 13 Phase

Main Contractor: Siemens Consortium

Sub Contractor: Gulf Contracting

Consultant: Energoprojekt (ME)

Client: Kahramaa Qatar General Electricity & Water Corporation

Years of project: 2017-2020

Project Amount: 2.02 Million

The scope of work: Stainless steel/Galvanized steel Handrail Work

Project: Lusail Stadium And Precinct

Main contractor: HBK & CRCC JV

Consultant: Louis Berger

Client: Supreme Committee For Delivery & Legacy

Years of project: 2019-2020

Project Amount: 3 Million

The scope of work: Fabrication and installation of Temporary Metal Platform;

Project: Katara Twin Tower Hotel Project

Main Contractor: HBK Contracting Co. W.L.L

Sub Contractor: Group for Wooden Industries

Consultant: Dar Al Handasah Consultants

Client: Katara Towers Hotel Management W.L.L

Years of Project: 2020

Project Amount: 4 Million

Scope of works: Stainless Steel handrails

MAJOR COMPLETED PROJECT

Project: Al Dhakhira Sewage Treatment works

Main contractor: Hyundai Rotem/Al Ghanim International/ Gulf Contracting

Client: Ashghal

Consultant: Louis Berger

Years of project: 2017-2020

Project Amount: 22.5 Million

The scope of work: Fabrication and installation of Stainless-Steel handrails, Metal Platform, Metal staircase, Aluminum Cover

Project: Construction of Mega Reservoir -PRPS4(Package-4)-Abu Nakhla

Main contractor: CGGC-Burhan Joint Venture

Consultant: Hyder Consulting

Client: Kahramaa Qatar General Electricity & Water Corporation

Years of project: 2016-2019

Project Amount: 30 Million

The scope of work: Fabrication and installation of Stainless-Steel Ladder, Stainless Steel handrail, Aluminium Handrail, Galvanized Steel Platform & Aluminium Chamber Cover and misc. metal work.

Project: Coast Guard Base Marina

Main Contractor: Generic Engineering Technologies

Client: PEO

Consultant: Dar Al Handasah (Shair & Partner)

Years of project: 2015 – 2017

Project Amount: 4.5 Million

The scope of work: Misc Stainless Steel Work and Steel Staircase

Project: Red Line South Underground Back House

Main Contractor: QDVC

Sub – contractor: IMAR Trading & contracting

Client: Q – Rail

Consultant: Q – Rail

Years of project: 2017 – 2018

Project Amount: 7.5 million

The scope of work: GI Gate, Mesh Stair Misc. GI Handrail Work and Stainless – Steel & GI Ladders

Project: Al Messila Resort & VIP SPA

Main contractor: Generic Engineering Technology

Consultant: DAL AL HANDASA

Client: Private Engineering Office

Years of project: 2017 – 2018

Project Amount: 1.8 Million

The scope of work: Fabrication and installation of Stainless – Steel Handrail, Glass Balustrade, Steel handrail

Project: College Of Pharmacy – Qatar University

Main contractor: Shapoorji Pallonji Qatar

Client: Qatar University

Consultant: Khatib and Alami

Years of project: 2017 – 2018

Project Amount: 2.3 Million

The scope of work: Fabrication and installation of Stainless – Steel handrails, SS & GI Ladders

Project: Al Bidda Park Phase 1&2

Main contractor: Generic Engineering Technology
 Consultant: KEO International Consultant
 Client: Private Engineering Office
 Years of project: 2017-2018
 Project Amount: 1.5 Million
 The scope of work: Fabrication and installation of Stainless-Steel Handrail, Glass Balustrade, Steel handrail, Wood Handrail, Steel Ladder

Project: Promenade Road & Parade Pavilion

Main contractor: Bojamhoor
 Consultant: KEO International Consultant
 Client: Private Engineering Office
 Years of project: 2017-2018
 Project Amount: 1.5 Million
 The scope of work: Fabrication and installation of Stainless-Steel Handrail, Steel handrail, Steel Ladder

Project: Design-Build & Operate-Maintain Works Al Shamal Sewage Treatment Plant(STW)

Main contractor: Larsen & Toubro-Waterleau Consortium
 Consultant: Black & Veatch
 Client: Ashghal
 Years of project: 2017-2018
 Project Amount: 2.1 Million

 Consultant: Burn and McDonnell Consultant
 Client: Musheireb Properties
 Years of project: 2014-2017
 Project Amount: 0.75 Million
 The scope of work: Fabrication and installation of Stainless-Steel handrail and grating Works

Project: Construction of 66/11KV Substation for NDD and Al Daayen

Main contractor: Galfar Al Misnad Engineering
 Client: Kahramaa (Qatar General Electricity & Water)
 Consultant: ME Energo projekt
 The scope of work: Fabrication and installation of Stainless-Steel handrail Work

Project: Construction of 3 Nos. HQ Buildings for Land Forces Camp Duhailiyat

Main contractor: Tadmur Contracting Co.
 Client: Kahramaa(Qatar General Electricity & Water)
 Consultant: Kingdom Projects
 The scope of work: Fabrication and installation of Stainless-Steel handrail and Galvanized Ladder Work

Project: Construction of Al Matar Showroom

Main contractor: Ghantoot Cosntruction and Transport Development
 Client: Mr. Abdhel Abdulla M Al Naemi
 Consultant: James Cubitt and Partners
 The scope of work: Fabrication and installation of Galvanized Steel Handrail and Stainless-Steel ladder

Project: Wajba 4 Palaces at Wajba Doha Qatar

Main contractor: Ghantoot Contracting and Trading Development
 Client: Shk Hammad Bin Jassim Bin Jabor Al Thani
 Consultant: DRA Engineering Consultants
 The scope of work: Fabrication and installation of Stainless-Steel Ladder, Access Door and Wrought Grill Gate work

Project: Construction of New Mosque for Dukhan Township at Al Sidra

Main contractor: Promer Qatar
 Client: Qatar Petroleum
 Consultant Qatar Petroleum
 The scope of work: Fabrication and installation of Stainless Steel and Metal works

Project: Construction of Six nos. Kindergarten Package 8

Main contractor: KBC Engineering
 Consultant: United Consultant
 Client: ASHGHAL
 The scope of work: Fabrication and installation of Stainless Steel and Miscellaneous Metal Work

Project: Qatar Power Transmission System Expansion-Phase 11 Stage 1 Substation

Main contractor: Gulf Contracting Co. W.L.L
 Consultant: Energoprojekt
 Client: KAHRAMAA
 The scope of work: Fabrication and installation of Stainless Steel and Miscellaneous Metal Work

Project: Construction of Aquatic and Fisheries Research Center(AFRC)at Al Khor Ras Matbakh

Main contractor: Consolidated Engineering Construction Co.
 Consultant: Gulf Engineering and Industrial Consultancy
 Client: ASHGHAL-Public Works Authority
 The scope of work: Fabrication and installation of Stainless Steel handrail and floor mounted wall Work

Project: Construction of VVIP Beach Villas -Ras Usherij -Al Zubarah

Main contractor: Insha Contracting Co.
 Consultant: CEG Consultancy
 The scope of work: Fabrication and installation of Steel Grill Work

Project: Proposed for 22 Villa Compound Annex Building at Al Sakhama/Umm Slal Ali

Main contractor: Insha Contracting Co.

Consultant: Gulf consulting Group

Client: Private

The scope of work: Fabrication and installation of Steel door and gate Work

Project: Design and Build of New Office and Car Park for Assets Affairs

Main contractor: Boom General Contractors

Consultant:

Client: ASHGHAL

The scope of work: Fabrication and installation of Steel Work

Project: QSTec Polysilicon Plant Project

Main contractor: HNC Engineering Co. Ltd.

Consultant /Client: Qatar Solar Technologies

Scope of work: Supply of Galvanized Foot Railing ,Steel Grill Work

Project: (2B+G+41) Arwa Residential Tower at Al Dafna Area

Main contractor: Derwind Trading & Contracting Co.

Consultant: Meinhardt

Client: ARTIC (Al Rayyan Tourism Investment Co.)

The scope of work: Fabrication and installation of Steel Grill Work

Project: (2B+G+41) Wajbah 4Palaces

Main contractor: Ghantoot Construction and Transport Development

Consultant: DRA Engineering Consultant

Client: SHK Hammad Bin Jassim Bin Jabor Al Thani

Scope of Work – Supply and Installation of Stainless – Steel ladder and Access door and MS wrought Iron gates

Project: Construction of East Corridor P011 (Package 2)

Main Contractor: China Harbor Engineering Co. Ltd

Consultants: CH2M HILL Halcrow, KBR, Parsons International Ltd

Client: Public Works Authority-Ashghal

Scope of works: Galvanized Steel Gates and Guard rails.

Project: Qatar Integrated Railway Project Red Line South

Main Contractor: QDVC GSE&C AL

Sub Contractor: Imar Trading and Contracting -Darwish Engg J V

Consultant: 3TI Progetti CICO JV

Client: Qatar Railways Company

Scope of work: Galvanized steel ladders, staircases, handrails and other light metal works.

Project: Water Security Mega Reservoirs Package B PRPS 2- Umm Salal

Main Contractor: HBK Contracting Company

Consultant: Energoprojekt Entel Ltd & Hyder

Client: Kahramaa Qatar General Electricity & Water Corporation

Scope of works: Stainless steel handrail and ladders.

Project: Burj Al Fardan, Com 30, Lusail

Main Contractor: Construction Development Company (CDC)

Consultant: Arab Engineering Bureau

Client: Al Fardan Properties

Scope of works: Stainless Steel Cladding Works

Appendix 1

Stainless Steel Sheet Cutting Machine

Sheet Shearing Machine

Sheet Metal Bending Machine

Sheet Metal Grooving Machine

Sheet Film Laminating Machine

Radial Drilling Machine

Pipe & Tube Punching Machine

Automatic Spot Welding Machine

CNC-Laser-Cutting-Machine

CNC Machining Center

CNC-Machining Center2

Powder Coating Machine

PVD-Coating-Machine

PVD Coating Process

Anodizing Plant

LIST OF VEHICLES

Sn	Vehicles	Qty	Manufacturer	Year of Manufacture
1	SUV	8	Various	Various
2	Pick up	12	Nissan	Various
3	Truck	6	Mitsubishi	Various
4	Fork Lift	2	Caterpillar	Various
5	Bus	3	Nissan	2018
6	Sedan	6	Various	Various

LIST OF EQUIPMENTS & MACHINES

Sn	Equipment Name	Qty	Manufacturer	Year of Manufacture
1	Angle Grinder	300	Makita	Various
2	Cut Off Saw	25	Makita	2019
3	Pipe Bender	3	Various	Various
4	Diamond Coring Tool	50	Makita	Various
5	Rotary Hammer	50	Makita	2020
6	Table Cutting Machine	3	Wuxi Xinda (China)	Various
7	CNC Plasma Cutter	1	Dmd-1500 Powermax65	2019
8	Plasma Cutting Machine	1	Wuxi Xinda (China)	2018
9	Plate Shearing Machine	3	Shanghai Qc12y-8x3200	2008
10	Bending Machine	2	Shanghai Wc67y- 100x3200	2008
11	Punch Machine	1	Shanghai J23-6x/Jh21-6x	2009
12	Lathe	1	Dalian Cp6240a	2009
13	Milling Machine	1	Changchun Xd6132a	2009
14	Drilling Machine	4	DeWalt	2010

15	CNC V Cutting Machine	1	Wuxi Xinda(China)	2013
16	Electromagnetic Hand Bending Machine	1	Magna Bend 2500e	2015
17	Plate Roller	3	Shanghai	2010
18	Polishing Machine	2	Shanghai	Various
19	Hacksaw Machine	2	Zhongdeli H-4030	2012
20	Acetylene Cutting Machine	2	Ruilong Ws-200s	2013
21	Argon Welding Machine	60	Ruilong Ws-280s	Various
22	Electric Welding Machine(220v)	20	Ruilong Zx7400	Various
23	Electric Welding Machine(380v)	5	Ruilong Zx7400	2014
24	Drill	25	Makita	2013
25	Magnetic Drill	4	Hougen Hmd 904	2014
26	Laser Ranging Device	1	Bosch	2013
27	Polish Machine (Pipe)	1	Aokaide	2015
28	Polish Machine (Sheet)	2	Aokaide	2015
29	Laser Level	2	Bosch	2013
30	Air Compressor	8	Prius	2013
31	Sand Blasting Machine	1	Henglin	2013
32	Spray Paint Machine	3	Blowtac	2012
33	Rolling Machine (For Pipe & Tube)	3	Shanghai	2013
34	CNC LaserJet cutting machine for plate	1	Dazu	2020
35	CNC LaserJet Cutting Machine for Pipes	1	Dazu	2020
36	CNC Pipe Rolling machine	1	Seraph	2020
37	CNC Sheering Machine	1	ZYMT	2020
38	CNC Bending Machine	1	ZYMT	2020
39	General Punching & Notching Machine	1	Tiantan	2019
